Sort code 20-51-08 Acc no 33140423

Day / Time

Please note that some dates are Saturday and some are Sunday, primarily this is due to availability of trainers and conflicts with other club or personal activities. We are planning to do the sessions from 09:30 – 12:30 each time. Please remember that as we are going into active hives, we may have to modify these dates and times if the weather or bee health dictates.

Equipment

Please bring your PPE if you have it. All personal protective equipment needed can be provided by the club for the duration of the sessions, although numbers and sizes are limited. We would strongly recommend the wearing of boots (wellingtons or walking boots) or at least full shoes – sandals are not recommended, regardless of how warm it is!
